A Dubai address with a global appeal

Dubai Canal

Linking new and old Dubai, the canal, which forms a new island within the city, runs through several lifestyle and leisure developments that include hotels, restaurants and retail options. There is also a marina, a boardwalk, and multiple stations to make it into a first-rate marine transport hub.

Sheikh Zayed Road

As Dubai's main vehicular artery and the longest road in the UAE, Sheikh Zayed Road provides easy access to the rest of the city, and the other emirates beyond; as well as being the spectacular setting of some of Dubai's most illustrious skyscrapers.

AYKON CITY

– THE EAST TOWERS

AYKON City comprises residences, hotel rooms, hotel apartments and office space, with spectacular exteriors and breathtaking views.

AYKON CITY

– THE WEST TOWERS

The organic lines of the East Towers are echoed across Sheikh Zayed Road in the two West Towers; creating an elegant gateway to Dubai's Downtown.

INSPIRING OUTLOOKS

Each of the towers has been carefully designed to feature stunning view corridors from every perspective; from Sheikh Zayed Road to the Arabian Gulf; from Dubai Canal to the very heart of the city; from Safa Park to Dubai Marina.

AYKON PLAZA

Central to the development is AYKON Plaza, an elevated platform that links the East Towers and provides the community with its own beautiful areas in which to unwind and relax.

There's something for every age and mood, from inviting swimming pools and specialist exercise areas to street café culture and luxurious boutiques – with lots more besides.
